Message:

Nice apartment from 1997 of 88 m² only about 120 meters from the central and very popular beach Playa del Cura in Torrevieja.

The home has three bedrooms, two bathrooms, independent kitchen with associated laundry room and storage room.

You have an open terrace/balcony of 8 m² with a sea view.

The price includes a private lockable garage for two cars.

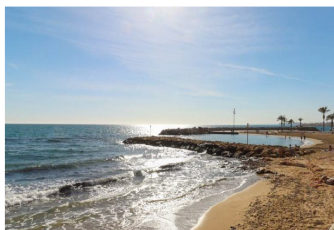

If you have a car in this area, it is almost a requirement to have a garage, as it is almost impossible to find parking on the street, especially in the summer.

The area is alive all year round and has a large selection of bars, restaurants and shops.

The property has a lift and is partially adapted for wheelchair users.
